

8

ELM
ON
YONGE

An aerial night view of a city skyline, likely Toronto, featuring a prominent skyscraper with a glass facade and many lit windows. The CN Tower is visible in the background. The text "THE CENTRE OF ATTENTION." is overlaid in the center.

THE CENTRE OF ATTENTION.

DESIGNING WITH SIMU LIU

8 Elm, with its ultra-modern, innovative residential tower that rises above a preserved historic building at its base, has attracted the attention of mega-talented Canadian superstar Simu Liu.

A film-maker, writer and producer, Liu also has a keen interest in the visual arts, and is delighted to be collaborating with Cecconi Simone on the interior design of 8 Elm.

8 Elm is ideally located close to universities, corporate and bank HQs and hospitals. If you work in the financial district, you're a short walk from the office, and if you're taking courses at Toronto Metropolitan University (formerly known as Ryerson University), cross the street to get there. University of Toronto is also just minutes away.

At 8 Elm, connectivity is first-rate. You're only steps from the Yonge subway line and the Dundas streetcar. From Dundas station, you can access the entire GTA, including Union Station where you can catch the streetcar to Billy Bishop Airport and the UP Express to Pearson Airport.

REPUTABLE DEVELOPERS

- Develops residential, retail and mixed-use properties.
- 40 years of experience, with 135 projects.
- 15,000 homes + more than 2 million sq.ft. of commercial and retail space across North America.
- Team spans two family generations.
- Extensive expertise in all aspects of real estate development, construction and financing.
- The best professionals and consultants help bring each venture to life.
- Steadfast commitment to the best interests of clients and customers.
- Forward-thinking, multi-residential projects: Untitled, Line 5, Rise, and Bellefair.
- High-volume retail spaces for national tenants: Starbucks, LCBO and Shoppers Drug Mart.
- Progressive approach to neighbourhood development.
- Has acquired strategic properties throughout the city.
- Commitment to inspired architecture and a sophisticated understanding of interior design and lifestyle programming.
- 8 Elm on Yonge will deliver a new vision for residential living at Yonge and Dundas.

Capital Developments has over 1 million square feet under construction, including some of Toronto's most impactful towers, such as 11 YV, AZURA and E2. The company is actively advancing a pipeline of some of the city's best sites, totalling over 4 million square feet.

- Canadian industry leader, founded in 2008.
- Co-CEOs founded one of Europe's largest developers, TriGranit.
- Developed 10 million sq.ft. of mixed-use space, including some of Europe's finest shopping centres, concert halls, office towers, and performing arts centres.
- Returned to Canada in 2008.
- Have delivered 1.8 million sq.ft. in Toronto and Montreal.
- Projects include 2131 Yonge Street, done in collaboration with the late Karl Lagerfeld.
- Now more than 1 million sq.ft. under construction.
- Current projects include 11 YV, Azura Condominiums, E2.
- Current pipeline includes some of the city's best sites, totalling over 4 million sq.ft.
- Belief is that architecture, location, and design all matter, as do relationships with homeowners, with employees, with capital partners and with the city.

IBI Group is a global firm of architects, engineers, designers and technology professionals who create vibrant, livable and sustainable urban environments. IBI Group Architects are recognized leaders in residential, hospitality, retail and mixed-use design. Under the leadership of Design Principal and Global Director of Buildings, Mansoor Kazerouni, IBI has designed many of Toronto's exclusive condominium developments. The firm is currently working in major cities across Canada, the United States, the UK, Middle East and India.

- Founded in 1974 by nine partners.
- Provides professional services in planning and design for urban development and transportation.
- From the initial two offices in Toronto and Vancouver, has grown to over 60 offices in North America, Europe, Asia and the Middle East.
- More than 3,000 employees.

CECCONI SIMONE

- Multi-disciplinary interior-design practice based in Toronto.
- Privately owned and operated by Elaine Cecconi and Anna Simone.
- Established in 1982.
- Creates successful, award-winning interiors for the retail, corporate, hotel-hospitality and residential sectors.
